Examinations for Friday and Saturday classes, off-campus classes, evening, and weekend classes will be given during the regularly scheduled time of the course and in the same classroom. Finals begin **Saturday, December 2** and continue through **Friday, December 8**. Exams in accelerated classes will be held on the end date for that course as published in the schedule. Testing for all courses must be completed to allow for grade submissions no later than 8 a.m. Monday, **December 13th**.

*Examinations for distance learning classes may vary due to technical considerations.

*Hybrid instructors are expected to work together to achieve their exam schedule.
