Chesapeake Bay Environmental Center (CBEC) (509) Environmental Education Summer Internship.

CBEC Overview: The Chesapeake Bay Environmental Center is a private, non-profit located on the Eastern Shore in Grasonville, Maryland dedicated to creating the next generation of Bay stewards by providing "hands-on, feet-wet" environmental education. Our summer camps allow students to explore life around the Bay through environmental studies, science, arts, and recreation. Our summer internship program offers great experience for college students interested in any of these fields of study: education, environmental studies, environmental science, or recreation. Interns will receive hands-on training and experience with the fundamentals of environmental education best practices, lesson plan creation, and program facilitation. Interns will facilitate programs for summer camp and visiting groups. Interns will receive training and ample practice in handling, caring for, and teaching with captive raptors. Interns will participate in weekly professional development experiences to experience other career opportunities and network in the environmental sector. By the conclusion of the summer, interns will complete an electronic portfolio showcasing their experience with environmental education. This will serve as an excellent resource when applying for jobs. Interns will earn a small stipend, dispersed twice during the summer, and housing can be arranged, if needed.

Intern Qualifications: •Currently enrolled in college or recent college graduate •Strong interest in teaching and environmental education •Energetic, enthusiastic, flexible, and overall positive attitude •Ability to work and communicate effectively with children and adults •Available to work at least 8 weeks over the summer •Preferred - teaching experience and/or environmental studies background

Internship Responsibilities: •Supervise group of up to 20 campers with a team of 2-3 counselors •Plan and lead at least one environmental education lesson weekly •Organize and lead nature exploration, games, and other recreation activities •Assist and supervise campers while kayaking. ACA Level 1 kayak training available, if interested •Observe environmental education programs led by Education Coordinator and assist •Respond appropriately to any medical issues and emergencies with first-aid or CPR. First-aid and CPR training available, if not already certified •Assist with raptor care and handling •Attend weekly professional development "shadowing" experiences •Create electronic portfolio showcasing internship experience

Internship Schedule: Interns may begin as early as May 15, but must start by June 3. •May 15 - June 1 – Assist with school field trips and camp preparations. 9-5pm, daily. **OPTIONAL -** •Camp Training – June 3, 11-3pm. Mandatory training. •CPR/First-aid training – Date TBD. 3-hour class. Mandatory, unless currently certified. •Weeks of June 4 and 11 – Camp preparations, 9-5pm. •June 18 – August 31 (end date flexible) – Weekly day camp sessions, Monday-Friday, 8:15am-4:15pm. **Contact:** If you are interested in applying to be an intern this summer, please send resume and one letter of recommendation to the Camp Director, Katey Nelson at knelson@bayrestoration.org. Resumes will be reviewed as they are received and selected applicants will be contacted to schedule a phone or in-person interview. (Date listed: 12/20/17)

Echo Hill Outdoor School (590) 13655 Bloomingneck Rd, Worton, MD 21678. Internship Positions - Echo Hill Outdoor School provides residential learning experiences designed to introduce and acclimate children to the outdoors and foster respect for and awareness of themselves, each other and their environment. Course areas include: Ecology of the Chesapeake Bay conducted on historic work boats, Swamp Ecology including Swamp Canoe and Swamp Walks; Group and Individual Development on our low and high element challenge course; Outdoor Skills in classes like Orienteering and Survival; and History and the Human Environment with classes such as Early American Studies and the "Mystery Tour", an exploration of the cultural and historical landscape of Kent County. The program is flexible so as to meet the needs of a wide range of students, typically 3rd through 9th grade, from both public and private schools as well as college students and adults of all ages. Responsibilities include: assisting and/or co-teaching instructional courses with experienced staff, creation and implementation of new curriculum ideas, overnight tent or dormitory duty for groups, supervision of students, and assisting with special programs and events. Qualifications: Individuals pursuing careers in the areas of education, recreation, and other related work are encouraged to apply. Experience working with and relating to children and people of all ages is extremely beneficial. We are

seeking motivated, energetic individuals with creativity, commitment and a passion for the outdoors. Benefits: Full room and board is a condition of this residential position. A weekly stipend is included along with use of the school's natural setting and facilities during personal time. **Applications are welcome year round.** Primary starting dates are in March, June and late August. To Apply: If you are interested in a challenging and rewarding experience, please send cover letter, resume, two letters of reference and two telephone reference contacts to: Sara Vogel, Internship Coordinator or Betsy Z. McCown, Associate Director, jobs@ehos.org. Echo Hill Outdoor School, 13655 Bloomingneck Road, Worton, Maryland 21678. (410)-348-5880. www.ehos.org. (Date listed: 1/30/18)

The Office of Science / US Dept. of Energy (801) is pleased to announce **paid research internship opportunities** for undergraduate students majoring in areas of Science, Technology, Engineering, and Mathematics (STEM) for the Fall of 2018. The application system for the 2018 Fall Term Science Undergraduate Laboratory Internships (SULI) program is currently open, with **all applications due by 05:00 PM Eastern Time on May 30, 2018**. The Science Undergraduate Laboratory Internships (SULI) program places students from 2 and 4 year undergraduate institutions as paid interns in science and engineering research activities at DOE national laboratories and facilities, working with laboratory staff scientists and engineers on projects related to ongoing research programs. Appointments are for 16 weeks during the Fall term, are open to US Citizens and US Lawful Permanent Residents, include a weekly stipend, reimbursement for one round trip domestic travel to the participant's host DOE laboratory, and possibilities for a housing allowance. More than 850 internships are sponsored annually. Application is made online. Full program information and descriptions, including links to the online application system, are available at: <http://science.energy.gov/wdts/suli/>. (Date listed: 3/19/18)

Rock Steady Boxing-Mid Shore Classes (687) Offer **Fitness/Allied Health/Wellness Volunteer Opportunities**. Volunteer opportunities are available to assist local Parkinson's patients at our Rock Steady Boxing Classes on Kent Island! Rock Steady Boxing-Mid Shore group-fitness classes are the next steps for Parkinson's patients on the Mid-Shore to continue a safe and rewarding physical fitness program after physical therapy. Our boxing classes are a forced, intense, non-contact exercise program that empowers people with Parkinson's to fight back no matter their current physical conditions. We also focus on balance and strength training for all levels that uses movement disorder-specific exercises to optimize learning, brain health and FUNction! Volunteers have the opportunity to help boxers move safely in the classroom; assist in exercise movements; provide encouragement and motivation; and assist in classroom set-up and breakdown. Volunteer Orientation/Trainings are held periodically. Rock Steady Boxing classes are held every Monday and Wednesday at the Island Athletic Club, located in Grasonville MD (in the Kent Narrows next to Annie's Steak House and Harris's Crab House). Two classes are scheduled at this time designed for specific needs of the participants. Currently classes are held at 12:15pm and 2:15pm on those days. Interested volunteers can email 360strongtraining@gmail.com or call 410-703-9162. Lyn Strzempka-Sutton is Owner/Coach of Rock Steady Boxing-Mid Shore and 360 Strong LLC. This program is supported by the Parkinson's Foundation and Maryland Association for Parkinson Support, Inc. More information is available at: midshore.rsbaaffiliate.com. (Date listed: 2/20/18)

Ross for Maryland Campaign (909) Alec Ross for Maryland is looking for **spring and summer campaign interns** for the June 2018 Democratic primary for Governor of Maryland. This is an opportunity to learn about Maryland politics and get exposure to various facets of campaign management. Come join our dynamic, committed team! What you'll gain: •Hands-on campaign experience. •First-hand look inside the Maryland political world. •Experience working on a fast-moving team with a clear goal. What you'll do: •Prepare materials for campaign fundraisers, rallies, and other events. •Research local policy. •Do outreach to community leaders. •Monitor media and press. •Organize campaign events. •Manage campaign databases. •Draft correspondence. •Canvas on behalf of the candidate. This position is open to current high school and college students, as well as recent college graduates. Based on your age and education level, we will work with you on the correct combination of responsibilities. We are looking for enthusiastic candidates who have an interest in Democratic politics. Applicants should be flexible, fast learners who are willing to work across many different tasks and with many different team members. Prior experience using the Office suite, Google Docs, and doing research tasks is preferred. Please email a resume and cover letter to astout@alecross.com and place "Intern Application" in the subject line. Include your general weekly availability for the winter/spring in the email. This is an unpaid internship, but we are happy to work with you on academic credit through your institution. The position requires 10-15 hours per week, and our offices are located at the corner of North Ave. and Maryland Ave. in Baltimore's Station North neighborhood. (Date listed: 4/12/18)
